Welcome

The days are cooler and a sea of bobble hats and scarves replace the sun caps and sunglasses.

To coincide, First Wessex has produced this handy winter guide to assist you through the season.

You can spot our new green and yellow Wessex branding out and about this winter, ready to take you to where you need to be, whether it's for business or pleasure. There are plenty of places to visit along our routes, and a scenic ride to get to them. Sit back and let us take you there.

Don't hesitate to get in touch if you need any help or more information. Details can be found on the back page.

JURASSIC COASTER

The glorious Dorset coastline that stretches all the way from Poole Harbour in the east to beyond Lyme Regis in the west is spectacular and is England's first natural World Heritage Site.

It has become known as the Jurassic Coastline due to the large numbers of fossils from the Jurassic Period - over 150 million years ago - found along the shoreline.

Jurassic Coaster is the best way to get out and explore these beautiful landscapes and the charming towns and villages along the way.

Use these timetables to plan where to go. Our go-as-you-please unlimited travel tickets are great value and allow you to stop off where you want as often as you like.
