

The Sunseeker bus is the easy way to get into the centre of Weymouth, whether that's for the beach, the shops, the station or the picturesque harbour.

If you want to see some spectacular coastal scenery, hop on our Jurassic Coaster bus to Abbotsbury, West Bay and Lyme Regis to the west or Durdle Door and Lulworth Cove to the east.

The views are to die for and look out for our summer sun open-top trips.

Talk to our friendly staff in the seafront information kiosk, ask at the holiday park reception or go online.
