hello!

It makes a lot of sense using the bus to get around Leicester, and it's certainly better for our great city - less congestion and better air quality for everyone, with fewer cars clogging up the city streets

Our buses are smart and comfortable and most have free WiFi, so you can stay connected on the move.

We have handy options for paying fares contactless and tickets on your phone (m-Tickets). And with tap on tap off, it's never been easier to get the best value fare - see below.

and however much you travel, you'll never pay more than

from **£4.60** a day
or from **£18** a week
or a **lot less** if it's only a short trip
