Bridgwater

A lively town with a rich history, Bridgwater is famous for its Guy Fawkes Carnival which takes place each November and is Europe's largest illuminated procession.

The town centre is small enough to explore on foot, so head out to find some fine architecture built during its heyday as a port and commercial centre - check out Cornhill, Castle Street and King Square for some of the best examples. There's a combination of well-known and independent shops, plus lots of options for dining, or head to the Blake Museum, to discover more of the town's history.

Absorb some local culture at the Bridgwater Arts Centre - one of the first in the country - enjoy a stroll around the Bridgwater and Taunton Canal and Docks or visit the Somerset Brick and Tile Museum, dedicated to the industry that once employed 1,300 people using local clay from the River Parrett to make bricks and tiles.

Burnham-on-Sea

Burnham-On-Sea is a thriving seaside town, with an award-winning sandy beach and plenty of cafes and restaurants to find delicious fish and chips! Explore the High Street with it's mainly independent shops or stroll along the classic Victorian and Edwardian promenade to enjoy the views out to sea.

At low tide, wander up to the 'lighthouse on legs', built in 1832 to deliver fishing boats back home to their safe harbour or visit Britain's shortest pier complete with plenty of classic arcade games, ideal for a rainy day.

Wellington

Wellington gave its name to the famous 'Iron Duke', victor at the Battle of Waterloo, and the 175ft monument built on the Blackdowns was erected in his honour..you can follow footpaths from the town centre to find it.

Visit the Wellington Museum to discover more about the historic town or enjoy Wellington Park, an example of late Victorian design awarded Green Heritage status.

Wellington is also well known for its food with various events and initiatives to celebrate the best in local food and drink.

Minehead

Long known as the gateway to Exmoor, Minehead is a beautiful place to explore at any time of the year. There are beaches, a fishing quarter and a charming historic harbour, or the beautiful Blenheim Gardens opened in 1925 just a short stroll from the seafront.

Take a walk down the tree-lined Avenue and visit the selection of tea rooms, pubs and independent shops in the town centre which has retained much of its Victorian architecture or visit the 14th Century church on the hill and the much-photographed historic Church Steps. Board the West Somerset Railway at it's western terminus for an unforgettable ride through stunning Somerset countryside.

Watchet

Set against the green backdrop of Exmoor National Park and the Quantock Hills Area of Outstanding Natural Beauty, Watchet is a friendly, vibrant harbour town on the West Somerset coast, looking out across the Bristol Channel with views along the unspoilt coast and across to Wales.

The town has been a busy sea port for more than 1000 years and an attractive pleasure marina now fills the ancient harbour. The town's other attractions include art galleries, local craft shops, a weekly market, restaurants and CAMRA award-winning real ale and cider pubs.

Yeovil

Yeovil is mentioned in the Domesday Book as a thriving market community and is still a country town at heart surrounded by beautiful countryside. One of these towns which is much bigger than it appears, you can ramble for what seems like miles through the historic centre, built around the noble C14 church of St John the Baptist, passing many fine old buildings, and not passing up many shopping opportunities.

Yeovil Country Park, just outside the town centre, takes you on a journey around woodlands and waterfalls following the River Yeo to meadow pastures and far reaching views to the wider countryside.

West Somerset Railway

No visit to the area is complete without a ride on the The West Somerset Railway - a 20 mile long heritage line through stunning Somerset countryside and coast from the Quantock Hills to the Bristol Channel coast, recapturing the romantic era of steam rail travel.

Running between Bishops Lydeard and Minehead, this true country branch line of the old Great Western Railway has 10 stations along the way, each having something different to offer. The historic town of Watchet and medieval village of Dunster are great places to get off and explore.

Glastonbury

Steeped in history, myth and the smell of incense, Glastonbury is possibly the quirkiest town in England and famous as the home of the Glastonbury Festival!

Situated in the heart of the Somerset levels, the mystical beacon of Glastonbury Tor dominates the skyline and offers unparalleled views where you can see for miles. Meanwhile, Glastonbury Abbey is connected with legend as the burial place of King Arthur. The town is also home to the Somerset Rural Life Museum where visitors can explore the story of Somerset's rich rural and social history from the 1800s onwards.

Glastonbury's High Street offers a unique shopping experience with distinctive shops selling everything from Crystal Balls to gifts with spiritual traditions alongside a fabulous selection of independent cafes, pubs and restaurants.

Wells

Wells is best known for its famous Cathedral, but England's smallest city has much more to offer than simply this beautiful building.

Situated in the Mendips in Somerset, Wells offers a charming day out full of rich heritage and tradition with its many tea rooms or country pubs and it's twice weekly markets following a 900 year old tradition. Wells also has some great independent shops and art galleries or perhaps visit the Wells and Mendip Museum.

Exmoor Coaster is one of the UK's most spectacular open top bus rides, combining the wild beauty of the Exmoor National Park and the seaside harbour of Lynmouth.

With the traditional seaside resort of Minehead at one end, and the traditional fishing village of Lynmouth at the other end, the Exmoor Coaster links seaside towns across the dramatic moorland, traversing the insanely steep Porlock Hill as it climbs between coast and moor.

In the high summer the route continues up into the Victorian town of Lynton and through more spectacular scenery to Combe Martin, Watermouth Bay and Ilfracombe.
