

Eastern Education Group Conditions of Travel

28th July 2025

Eastern Education Group (EEG) students are advised that all journeys on partner bus provider services are subject to EEG Conditions of Travel. While EEG partner bus providers are responsible for transport delivery, safeguarding concerns arising on journeys will be escalated to EEG's Designated Safeguarding Lead at the journey destination college where our [EEG Child Protection and Safeguarding Policy](#) will be followed.

The [Student code of conduct](#) extends to our EEG partner buses, any breach of our code of conduct whilst travelling on an EEG partner bus could result in us enforcing our College disciplinary procedure. In extreme cases the college reserves the right to revoke your pass. In the event of an emergency, students must follow driver instructions.

EEG liability and complaints limitation

EEG works with partner bus providers to operate services as advertised on their websites. However, there may be occasions when journeys may take longer than expected or may need to be diverted or cancelled. Where possible, EEG will advise of disruptions.

EEG shall not be liable and will not accept claims for direct or indirect losses, damages, cost or inconvenience that students suffer because of a delay, diversion, or termination of any bus route, or for any other reasons. These factors may include, without limitation, traffic congestion, road traffic accidents, road works, road closures, major events, adverse weather conditions or other unforeseen operating circumstances.

Neither EEG or the partner bus providers shall be liable for any loss of or damage to student property, including any lost property placed under the control of the vehicle provider.

Neither EEG or the partner bus providers shall be liable for any acts, omissions, or conduct of any third parties, including other passengers, individuals at bus stops, or external entities involved in the journey. This includes, but is not limited to, personal injury, property damage, or any other loss or inconvenience caused by third-party actions. Students are advised to take appropriate precautions and report any concerns to the driver or EEG staff as soon as possible.

Students agree to indemnify and hold harmless EEG and its partner bus providers from any claims, liabilities, damages, or expenses (including legal fees) arising from their breach of these Conditions of Travel or any misconduct during travel.

While EEG and its partner bus providers aim to provide a reliable service, no guarantee is made regarding punctuality, seat availability (outside of termly ticket holders), or uninterrupted service. Students are advised to plan accordingly.

To the extent permitted by law, the total liability of EEG and its partner bus providers for any claims arising out of or in connection with travel services shall not exceed the value of the termly ticket purchased by the student.

Suggestions and complaint handling

If you wish to make a suggestion or complaint about a bus provider, you should be aware that the provider of that service is an EEG partner bus company (and not Eastern Education Group). Please email transport@easterneducationgroup.ac.uk with your details, date and time of the relevant event, route number, location. EEG will liaise directly with the relevant dedicated support area and ensure all communication is dealt with appropriately.

Getting on and off a dedicated EEG bus

Students may only get on a dedicated EEG bus at designated bus stops or stopping points on the specific route on which travel is taking place.

Students should indicate clearly to the driver of an approaching bus if you wish to get on the bus. Students must be at a bus stop and give such indication in sufficient time to enable the driver to stop safely. In all other circumstances EEG accepts no responsibility if the driver does not stop.

For safety, students are requested to remain seated until the vehicle comes to a complete stop.

Fares and Tickets

Students must ensure they are in possession of a valid ticket or other authority to travel on a dedicated EEG partner bus. Students must scan their valid ticket when boarding the vehicle.

Tickets are not transferable to use on other EEG partner dedicated bus routes, unless specific circumstances have been agreed in writing. Where agreed in advance with the EEG partner bus operator, tickets can be used to obtain travel on specified commercial routes, that operate outside the timetabled service.

Tickets for dedicated EEG bus routes, are only available to purchase termly. A student termly ticket will guarantee a seat on the bus for that term. Payments must be made via our partner bus provider websites.

The cost of a termly ticket for a seat on a dedicated EEG partner bus provider route will be reviewed termly and may change depending on route viability.

Where a payment provider allows for termly tickets to be paid for in two instalments, there will be no authority for the student to travel for the remainder of the term if the second instalment has not been received.

Depending on your age, and household income, you may be eligible to access financial support through bursary funds. To check the eligibility criteria, and to submit an application, please visit the college websites. Funds are limited and will be awarded based on a first-come, first-served basis so we encourage you to apply as soon as possible.

Payments for college bus passes are non-refundable once issued. Refunds will only be considered in exceptional circumstances, such as a student permanently withdrawing from the college or experiencing serious medical issues that prevent continued travel. All refund requests must be submitted in writing to: transport@easterneducationgroup.ac.uk accompanied by appropriate supporting evidence, and will be assessed on a case-by-case basis at the discretion of the college. The college reserves the right to decline any request that does not meet these criteria.
