he glorious Dorset coastline that stretches all the way from Poole Harbour in the east to beyond Lyme Regis in the west is spectacular, and is England's first natural World Heritage Site. It has become known as the Jurassic Coastline due to the large number of fossils from the Jurassic Period - over 150 million years ago - found along its shoreline.

Jurassic Coaster buses are the best way to get out and explore these beautiful landscapes and the charming towns and villages along the way.

Use this guide to plan where to go. Our go-as-you-please unlimited travel tickets are great value and allow you to stop off where you want as often as you like.

Timetables are on this side and ideas of where to go and what to see on the other side, with a handy map to show you where they are. Details are confirmed at the time of print, but may be subject to

change - please check before travelling
