

School Travel Guide

**Heading back
to school?
We're ready when
you are!**

Remember:

- You may need to travel earlier in the morning to get to school, or later in the afternoon when travelling home due to our reduced capacity on board.

- Face coverings must be worn for anyone aged 5 or over (unless you are exempt).

- You must social distance and only sit with family members (brother or sister).

- Please follow the on-board signage to find available seats.

- Contactless payment is available onboard our buses, or you can buy your ticket in advance on the First Bus App.

School Travel Guide

We've made it even easier for you to choose and catch your bus!

- **First Bus App** - Use our app to buy your ticket, plan your journey, track where your bus is and see how many seats are free. Search 'First Bus' in your app store.
- **Space Checker** - Use the Space Checker tool on our website to check how busy your service is before you make your journey!
- **Ticket Gifting** - Parents can purchase the ticket and then send the ticket to their child's phone using our app.
