Tap here & there.

Get the best value single fare.

Coming to Eclipse services E1 & E2 only, from 3rd March 2021.

What is Tap on, Tap off?

TOTO allows you to get the best value single fare by tapping your contactless card or mobile payment device on the card reader when you get on the bus, and by tapping off at the second card reader by the luggage rack as you leave the bus.

Our clever ticket machines will know where you got on the bus and also where you got off, allowing them to charge you the best value single fare automatically.

TOTO is only available for single fares. You can still buy our other range of value for money tickets in the normal way, including by contactless.

Tap all day, £5.50 is the most you'll pay!

What's more, if you tap on and tap off all day long on the E1 & E2, £5.50 is the most you'll pay.*

*For a limited time only, the daily cap will be £5.50, that's £2 cheaper than our Hampshire Day ticket when bought on the bus. Travel all day on the E1 & E2 for only £5.50!

Why TOTO?

TOTO is activated when you use a contactless card or device of your choice, so with fewer cash transactions to deal with, it will help to speed up boarding times and keep your E1 & E2 buses running on time.

It makes hopping on and off your Eclipse buses easier, quicker and more attractive.

How do I TOTO?

If you want to pay with TOTO, choose your contactless card or device, e.g. Apple watch/mobile phone and simply tap it on and off the card readers each time you travel, and you must use the same card or device every time.

There's no need to ask the driver either, simply tap on and take a seat, but remember to tap off when you leave the bus for the best value single fare.

It's even faster with Apple Pay...

For customers using Apple Pay, we accept express mode on our buses. With express mode for Apple Pay, just tap on and off at the card readers and there's no need to wake or unlock the device, it's that easy.

Please remember to keep your chosen card or device separate from other cards or devices.

Check your payments at any time...

You won't get a paper ticket, but you can use our online portal to track what you have been charged:
